Cicero Friends of the Park is a 501(c)(3) non-profit advisory group established in 1995 to assist the Cicero Parks Department in serving the recreational needs of Cicero & Northern Hamilton County residents. We are dedicated to preserving and increasing quality recreational facilities and related programs in the Cicero Parks, both at Red Bridge and Community Park.

The Cicero Friends of the Park have helped fund numerous projects since 1995:

- Fishing Pier at Red Bridge Park
- Canoe & Kayak Launch at Red Bridge Park
- Spiral Slide at Community Park
- Park Shelter and picnic tables at Community Park
- Playground equipment at Community and Red Bridge Parks
- Update & remodel of Red Bridge Park Community Building
- Update & remodel of Red Bridge & Community Park bathrooms
- Digital signs at both Red Bridge & Community Parks

This upcoming year we are asking for your sponsorship to help fund new picnic tables and trash cans for the Parks. Your sponsorship will also help fund our continuing programs and events throughout the year.

If you have any questions, please contact us at 317-446-1352 or [sponsorship@cfotp.org](mailto:sponsorship@cfotp.org). Also, we are always looking for new volunteers, so contact us for more information if you are interested.

Thank you in advance for your support of the Cicero Parks and for contributing to a better quality of life and making a positive difference in our community.

Sincerely,

Jackie Hayden, President

Christy Wilson, Vice-President

Amy Wolfe, Secretary/Treasurer

Rob Wilson, Emily Pearson & Lisa Stokes-Bear, Friends of the Park Committee Members
