Cicero Friends of the Park is a 501(c)(3) non-profit advisory group established in 1995 to assist the Cicero Parks Department in serving the recreational needs of Cicero & Northern Hamilton County residents. We are dedicated to preserving and increasing quality recreational facilities and related programs in the Cicero Parks, both at Red Bridge and Community Park.

The Cicero Friends of the Park have helped fund numerous projects since 1995:

- Fishing Pier at Red Bridge Park
- Canoe & Kayak Launch at Red Bridge Park
- Spiral Slide at Community Park
- Park Shelter and picnic tables at Community Park
- Playground equipment at Community and Red Bridge Parks
- Update & remodel of Red Bridge Park Community Building & Bathrooms
- Digital signs at both Red Bridge & Community Parks
- Picnic Tables & Seating at Community & Red Bridge Parks
- Handicap Swing at Community Park
- New Concrete & Corn Hole Boards at Community Park
- New Gator for Parks Department
- Charlie Cambre Community Service Scholarship

Thank you in advance for your support of the Cicero Parks, for contributing to a better quality of life, and making a positive difference in our community. Your sponsorship will help fund our continuing programs and events throughout the year.

If you have any questions, please contact us at 317-446-1352 or [sponsorship@cfotp.org](mailto:sponsorship@cfotp.org). Also, we are always looking for new volunteers, so contact us for more information if you are interested!
